Crescent Hospital was inaugurated on 1st of May, 1997. Within a short span of time it has emerged as the premier Hospital in Palakkad district. Started with an inpatient Capacity of 50 beds, Crescent Hospital today has 300 beds inpatient capacity and over 500 health professionals working together with the motto:

' Service to Humanity is Service to the Almighty'.

Crescent College of Nursing was started on 2005. The new building being built for the purpose is in the final stages of construction, which will be ready for the academic year 2006-2007.

Crescent Wholebody Spiral CT Scan is the latest addition in Crescent's Investigative Equipments. CT Scan Centre was inaugurated on 2006.

Hospital Expansion was made possible by construction of a new block, of which three storeys are already finished and commissioned on 2004. The full capacity of 7 storeys in this building will provide occupation for about 500 patients
